

## “Faith Hope And Love”

-Jesus strengthen the faith You have given to us  
Keep us sure of Your mercy and might  
When trials and temptations are so hard to bear  
May we trust that Your just rule is right

-Jesus strengthen the hope we have found  
In Your Word  
Keep us sure we will rise up with You  
When darkness and discouragement are all around  
May we think on the wonders You do

-Jesus strengthen the love You have put in our hearts  
Keep us sure that Your pathways are true  
When anger and indifference are what we find  
May we show to the world love from You

-Jesus praise be to You for Your work on the cross  
And to You Holy Spirit of God  
And praise to You our Father Holy Trinity  
You have given us faith hope and love

-And the greatest of these is the love...
